

Good evening all! Due to the spike in the CoronaVirus and the coming of more restrictions, along with the holiday season, the club is suspending the work nights until further notice. The numbers are not looking good at all, and they are expected to raise considerably in the coming months. Please consider following the CDC recommendations so that hopefully, with social distancing, masks and the coming of a vaccine, we can start beating this thing. We will continually evaluate, and look forward to the day that we can resume meetings, work nights and events... Want to wish a safe and Happy Holiday Season to all.
